---

It is my pleasure to give a hearty recommendation for Get it Done Mailing Services. Shawn Gminder walked into my office about 5 years ago when I was in the middle of “Bulk Mail Hell”! Certainly he was sent by my guardian angel. I had tortured my employees and myself with quarterly bulk mailings that were a constant source of stress. Years ago I had even broken down in tears in the Post office after dragging in bags of mail, a toddler on one hip, and a post office clerk who wanted to be difficult to say the least. I had personally suffered through the constant bulk mail criteria changes over the past two decades. Even the post office employees couldn’t keep up –to- date!

I can’t begin to say how much we’ve all appreciated Shawn’s expertise and the ability to outsource this massive, relentless pain in our backsides! He pays for his services by getting the items sorted and sent at the best rate, but the truth is, he could charge me almost anything and I’d pay it! I’ve turned on countless friends in business about Get it Done Mailing Services and I hold that company in the highest regard when it comes to my support team of vendors that help Three Rivers Paintball and Team Effort Events be successful. I have several companies that I have done business with for twenty years because they are the best at what they do. As long as Shawn is running Get it Done Mailing Services – I’ll be a supportive and appreciative customer.

Most Sincerely,
